North:	Starts from above boundary towards east side through Mayuri junction RTC complex road upto starting point upto first starting point Inox shopping complex(towards south side)

WARD NO.34

East :	Starting from Dharmapuri Sy.No.64 (west part) of towards south side Thotapalem Narasimha Nagar layout towards south side through dharmapuri and Vizianagaram bit -1 village border (From Pradeep nagar to Dharmapuri road) upto south west corner of Dharmapuri Sy.No.66 (towards west side)
South:	Starts from above boundary towards south side (Pradeep nagar dharmapuri road) through Pradeep nagar road upto Visakhapatnam – Vizianagaram NH43 road junction (towards north side)
West:	Starts from above boundary towards north side (Visakhapatnam – Vizianagaram NH43 road) upto thotapalem Srinivasanagar College road junction (Towards east side)
North:	Starts from above boundary towards east side through Srinivasa College road at Meesala raju house junction from this towards south side upto thotapalem burial ground boundary wall from this towards east side through boundary wall of burial ground from this upto north east corner of burial ground and from this crossing to Pradeep nagar road towards east side road through (west side road of Narasimha nagar layout) upto dharmapuri village border(upto west border of Sy.No.4) upto starting point (towards south side)

WARD No.35

East :	Starting from north west corner Sy.No.65 of Vizianagaram bit -1 in pradeep nagar road towards south side through Sy.No.68 proceeding with boundary of V.T.Agraharam towards east side upto south east corner of Sy.No.170.
South:	Starts from above boundary through V.T.Agraharam village boundary upto Visakhapatnam road.
West:	Starts from above boundary through Visakha –Vizianagaram road towards north side through Vizianagaram road upto north west corner road of V.T.Agraharam Jute mill from this towards east through water tank road upto Golla veedhi junction from this towards north to meet Mutyalamma Temple junction through towards west side Gandhi nagar road upto Vizianagaram –Visakha road from this towards north side upto Pradeep nagar road.
North:	Starts from Pradeep Nagar road Vizianagaram - Visakha road towards east in Pradeep nagar road upto first starting point

WARD No.36

East :	Starting from V.T.Agraharam Mutyalamma temple towards south side upto Gollaveedhi junction from above boundary towards west side through water tank road upto Vizag main road from this towards south side through vizag road upto south east corner of Jute mill boundary wall.
South:	Starting from the above boundary towards west side upto V.T.Agraharam boundary railway track.
West:	Starring from the above boundary through railway lane border upto Gavara appanna Kallalu.
North:	Starting from the above boundary crossing to main road through west side to meet pradeep nagar junction upto Gandhi nagar road junction from this through north side east road of Gandhi nagar upto first point Mutyalamma Temple.

WARD No.37

East :	Starting from north west of V.T.Agraharam Sy.No.60 and south west corner of Vizianagaram 1st Bit Sy.No.36 Railway track boundary towards south side upto boundary of railway track and V.T.Agraharam end boundary Sy.No.35 of Trisandi junction (towards west side)
South:	Starting from the above boundary towards west side upto south west corner of V.T.Agraharam Sy.No.35 (towards north side)
West:	Starring from the above boundary towards north side through V.T.Agraharam village (West) North west corner of Sy.No.1 (towards east side)
North:	Starting from the above boundary towards east side through North boundary of V.T.Agraharam village upto 1st starting point (towards south side)

WARD No.38

East :	Starting at Railway track Gokapeta junction towards south side through boundary of Railway track upto V.T.Agraharam village boundary upto north west corner of Sy.No.60 (towards west side)
South:	Starting from the above boundary towards west side through V.T.Agraharam and Vizianagaram 1st bit village border upto Vizianagaram 1st bit and V.T.Agraharam trisandi junction (towards north side)
West:	Starring from the above boundary towards north side through Vizianagaram 1st bit border (west village border) upto Sy.No.1 of Vizianagaram 1st bit in trisandi junction (upto south east corner of Paul nagar layout) from this through Paul nagar layout east boundary upto paul nagar junction (upto Mutyalamma Temple) (towards east side)
North:	Starting from the above boundary towards east side (80'-0" road) upto Abdul kalam statue in VUDA colony from this towards south side upto VUDA Colony Phase-3 junction Anjaneyaswamy temple from this towards south side upto VUDA Colony sivalayam road junction (from bobbadipeta VUDA Colony Shivalayam road) from this towards east side upto gokapeta road Anjaneyaswamy statue from the towards south side through Gokapeta road upto first starting point Railway track junction(towards south side)

WARD No.39

East :	Starting from Santakala bridge railway border towards south side through Railway track upto Gokapeta junction (west side)
South:	Starting from the above boundary towards north side through Gokapeta road upto Anjaneyaswamy temple from this towards west through VUDA Colony Sivalayam road upto Phase -3 road junction (VUDA Colony Phase -3 Anjaneyaswamy temple road) (towards north side)
West:	Starring from the above boundary towards north side upto Anjaneyaswamy temple from this towards north side border of VUDA colony and towards west side border of VUDA Colony (through Temple VUDA colony border) through temple land upto south west corner (Near Abdul kalam Statue) (towards east side)
North:	Starting from the above boundary towards east side upto Gokapeta roddu junction (From Gokapeta road to M.R.Hospital) form this towards north side through upto Hospital road to meet NH 43 road junction (upto Hospital - police berax junction) from this through NH43 road upto over bridge (Santhakala Bridge) at Railway line junction (through A.T.M Center – R&B Bunglow – Ashok Bunglow road) (South side)

WARD No.40

East :	Starting from Railway lower bridge at Goods shed road through railway track border towards south side upto Santhakala bridge (towards west side)
South:	Starting from railway track border at santhakala bridge through NH 43 road Ashok banglow R&B Guest house and A.T.M. Center upto M.R.Hospital junction (towards north side)

West:	Starring from the above boundary towards north side through NH43 road upto post office road junction at S.P.office (towards east)
North:	Starting from the above boundary towards east side through post office road (ESI hospital road) upto Bogguladibba junction (R&B – NH- ESI office road) from this towards north side upto Goods shed road from this towards east upto first starting point lower railway bridge(South side)

WARD NO:41

East:	Starting from Goods shed road towards southern side towards Bogguladibba road upto R&B NH E-Office Road junction (Western side)
South:	R&B NH E-Office Road junction to western side post office and ESI Hospital Road towards SP Office NH43 road junction(northern side)
West:	SP Office NH43 road junction towards northern side towards NH 43 road towards upto Collector Office Junction (east side)
North:	Starting from the Collector Office junction east side towards Ganesh Kovela Road (Contonment Goods shed Road) towards starting point upto goods shed road (southern side)

WARD NO:42

East:	Starting from Collector Office Junction NTR Stature towards southern side towards NH43 road upto Hospital Junction (western side)
South:	Starting from Hospital Junction western side towards Police Barex southern boundary wall towards western side (Vuda colony Phase –II northern boundary and Phase –I northern boundary towards Dube layout northern boundary towards Kanapaka Ayyannapeta Survey No.167 upto Northwest corner and proceed towards southern side towards Survey No.67 upto southwest corner (upto ayyannapeta road northern side)
West:	Starting from Ayyannapeta Northern side towards western side towards ayyannapeta road upto ayyannapeta auto stand (stage center) and proceeds towards northern side towards BC Colony road upto S Kota road junction (East side)
North:	Starting form S Kota road junction towards east side towards collector office junction upto stating point of NTR Statue (Southern side)

WARD NO:43

East:	Southeast corner of Police Barrex of Maharaja Hospital Junction towards southern side towards Gokapeta road towards Vucacolony road upto southeast corner of Devasthanam(Northeast corner of Sri Sarvam Apartment west side).
South:	Starting from Sri Sarvam Apartment west side towards western side towards temple towards upto southeast devasthanam land and proceeds towards northern side upto Abdul Kalam Statue and proceeds towards including RTC Colony Junction upto Palanagar Nagar Layout East boundary (vuda colony palnagar layout boundary), upto muthyalamma temple and proceeds towards southern side palnagar lay out southeast corner (Northern side)

West:	Starting from the above pint towards northern side (western side of palnagar layout including duppada ayyannapea Y junction upto southwest corner of kanapaka ayyannapeta survey no.67 and proceeds towards survey no.67 western side upto northwest corner of survey no.67(east side)
North:	Starting from the above point northern boundary of Dube layout towards vuda colony phase-1 northern road towards vudacolony phase –II northern road towards boundary of police barrex and towards police barrex south wall boundary upto hospital junction(starting point south side)

WARD NO:44

East:	Starting from S Kota ayyannapeta junction towards southern side towards BC Colony road upto Y junction (Duppada - Ayyannapeta) and proceed towards southern side kanapaka ayyannapeta village boundary upto southeast corner of survey no.168 of (western side)
South:	Starting from the above point proceed towards western side towards kanapaka ayyannapeta village boundary towards southwest corner survey no.138 of i.e., upto Try junction (Northside)
West:	Starting from the above point kanapaka ayyannapeta village boundary towards (western side) towards northern side in S Kota road upto Survey No.92 Try Junction.(east side)
North:	Starting from the above point towards S Kota Road towards east side upto ayyannapeta road junction (South side)

WARD NO:45

East:	Starting from NH43 JNTU Junction (Survey no.1 Try Junction) towards southern side towards NH43 in KL Puram upto Brahmina Veedhi Junction(upto northeast corner of survey no.18 of KL Puram Kanapaka Village Boundary (western side)
South:	Starting from KL Puram Kanapaka Village Boundary towards western side kanapaka ayyanapeta nad KL Puram Villages Boundary towards Kanapaka Ayyannapeta Survey No.5 upto northwest corner and proceeds towards southern side Pydimamba Nagar Road towards S Kota Road upto Kamakshi Nagar Bus stop and proceed towards western side towards S Kota road upto KL Puram village survey no.82 south west corner (north side)
West:	Starting from the above point towards northern side KL Puram Village Boundary upto north west corner of survey no.1 (east side)
North:	Starting from the above point towards east side survey no.1 upto northeast corner of Try Junction (upto NH43 JNTU junction) (South side)

WARD NO:46

East:	In KL Puram NH43 road (Kanapaka Ayyannapet Survey No.18 Northeast corner) from brahmina veedhi junction to southern side towards NH43 road towards upto collector office junction
South:	NH43 road towards upto collector office junction western side towards S Kota road upto Kamakshi Nagar Bus Stop(North Side)
West:	S Kota road upto Kamakshi Nagar Bus Stop towards northern side towards Pydimamba Nagar road towards kanapaka ayyannapeta survey no.5 upto northwest corner (east side)

North:	Ayyannapeta survey no.5 upto northwest corner towards eastern side kanapaka ayyannapeta village northern boundary upto NH 43 junction (towards survey no.18 upto northeast corner (south side)

WARD NO:47

East:	Starting from Gajularega Survey No.116 Railway track boundary towards southern side towards railway boundary at goods shed road upto railway bridge (western side)
South:	Goods shed road upto railway bridge (western side) towards northern side towards railway track boundary (raypur railway line) proceeds towards Gajularega Survey No.116 upto Railway Line Bounday (North side)
West:	Gajularega Survey No.116 upto Railway Line Bounday northern side towards NH 43 road towards Gajapathi Nagaram Road upto KL puram Railway Bridge (east side)
North:	Gajapathi Nagaram Road upto KL puram Railway Bridge (east side) towards eastern side towards railway track boundary towards upto Gajularega Survey No.116

WARD NO:48

East:	Starting form Gajularega Pydithallamma temple junction road to (Howra Railway Line) southern side including Railway Track boundary two railway tracks and in goodes shed road proceed towards upto railway lover bridge (western side)
South:	Railway Love Bridge western side towards northern side towards railway track (railpur railway line and proceeds towards upto Gajularega Survey No.116 railway line boundary (northern side)
West:	Gajularega Survey No.116 railway line boundary (northern side) towards northern side Agriculture Research College boundary wall towards (Agricultural research western boundary) upto sri nagar colony junction.(east side)
North :	sri nagar colony junction.(east side) proceeds towards eastern side towards sri nagar colony road and upto starting point (southern side)

WARD NO:49

East:	Starting from Gajularega bridge over railway track (at buchenna koneru) and proceeds towards Southern side towards railway track boundary upto gajularega pydithallamma junction (Western side)
South:	Gajularega pydithallamma junction (Western side) towards southern side of last point of sri nagar colony road (upto survey no.97 and proceeds towards southern side) agricultural research college (western boundary wall) upto railway track boundary (upto gajularega survey no.116 and proceed towards (upto Rayapur Railway line NH 43 road bridge (northern side))
West:	Rayapur Railway line NH 43 road bridge (northern side) and proceed towards NH 43 road towards northern side (towards Gajapathinagaram Road upto JNTU junction) (East Side)
North:	Gajapathinagaram Road upto JNTU junction) (East Side) towards eastern side towards gajularega road towards upto starting bridge (Upto Bridge at BuchennaKoneru) (southern side)

WARD NO:50

East:	Northeast corner Vizianagaram 2nd bit survey no.1 i.e., starts from Try Junction towards southern side towards vizianagarm 2nd bit upto vizianagarm 2nd bit survey no 2 and proceeds towards venugopalapuram bit 2 (eastern boundary) towards grama village boundary upto railway track (howra railway line) (upto venugopala puram bit 2 survey no 43) (western side)
South:	venugopala puram bit 2 survey no 43) (western side) and proceeds towards southern side towards Railway track boundary upto gajularega bridge (at buchenna koneru gajularega bit) (northern side)
West:	Gajularega bridge (at buchenna koneru gajularega bit) (northern side) and proceed towards in gajularega village road upto JNTU junction (East side)
North:	Starting from JNTU junction east side and proceeds towards Gajularega Survey No.1 towards northern boundary (gajularega, kondakerakam village corner boundary) and proceeds towards eastern side gajularega , venugopala puram bit 1 upto TRY Junction and proceed towards northern side Vizianagaram Bit 2 towards Vizianagarm bit 2 and upto Kondavelaga TRY Junction and proceed towards eastern side Vizianagaram Bi-2 village boundary (upto Survey No.1 to north west corner to north east corner) and upto starting point south side
